I liked the way you walked, Lorraine
All the time, wished forever
I liked the way you talked, Lorraine
All the time, seemed so lovely the way it was
I'm looking for some words to find
For all the time you're always on my mind

I liked the way you were, Lorraine
Oh, oh,
Ah

Oh, honey it's so sad
I can feel it
I can feel it inside my heart
Oh, honey all so sad
Must I say it once again
Would always be so in vain
I comfort you I can tell you
That you were the one
For all the time you came to me I know
I gave you my heart in love for you

I'm looking for some words to find
For all the time you're always on my mind

You couldn't understand, Lorraine
Oh, I feel you'll never do
Oh, I know, oh my love
There's no way for us to go

Oh, honey it's so sad
I can feel it
I can feel it inside my heart
Oh, honey all so sad
Must I say it once again
Would always be so in vain
I comfort you I didn't want you
To have you for my own
I'd never touched you woman for I know
I gave you my heart in love for you

Ah, oh Lorraine
