

I'm a Man (©2003 Music & Lyrics by Thomas Krug)

Feeling a song, young man no longer

Feeling at home, follow no hunger

As a man of soul I'm loving you

Have mercy on me

As a man of soul I'm loving you

Why am I?

Feeling my way, searching no longer

Feeling at home, follow no hunger

As a man of soul I'm loving you

Have mercy on me

As a man of soul I'm loving you

Why am I? – Why am I?

I'm a man for your love, oh, I say that

I'm a man for your love, oh, I say that

Knowing me for what I am

Knowing me for sure I can

Tell you now forever that I am

Your man

Feeling now strong, restless no longer
Feeling at home, follow no hunger
As a man of soul I'm loving you
Have mercy on me
As a man of soul I'm loving you
Why am I? – Why am I?

I'm a man for your love, oh, I say that
I'm a man for your love, oh, I say that
Knowing me for what I am
Knowing me for sure I can
Tell you now forever that I am

Your man for your love, oh, I say that
I'm a man for your love, oh, I say that
Knowing me for what I am
Knowing me for sure I can
Tell you now forever that I am

Your man, your man, your man
