

It's All Over Now (©2003 Music & Lyrics by Thomas Krug)

I tried so many times
To tell you my story
It cannot be that
All is gone

I tried so many ways
To tell you my story
It cannot be that
It's all over now

Ah, ah, ah, ah, ah, ah

Nothing's gonna be
Forever the same to me
I can't believe that
It's all over now

Nothing's gonna be
Forever the same to me
I can't believe
It's all gone

I didn't want to give up
To tell you my story
It cannot be that
All is gone

I'd never guessed I'd fail
To tell you my story
It cannot be that
It's all over now

Ah, ah, ah, ah, ah, ah

Nothing's gonna be
Forever the same to me
I can't believe that
It's all over now

Nothing's gonna be
Forever the same to me
I can't believe
It's all gone
